

QUALITY SYSTEMS
REGISTRARS, INC.

CERTIFICATE OF REGISTRATION

This is to certify that the management system of

Myers Container, LLC

8435 NE Killingsworth Street
Portland, OR 97220

has been assessed and certified as meeting the requirements of

ISO 9001:2015

This certificate of registration remains valid subject to satisfactory surveillance audits for the following activities:

Myers Container manufactures new steel shipping containers in accordance with customer specifications and regulatory requirements at two locations. The scope of the QMS is limited to two locations and includes all activities taking place except for outsourced and reconditioning activities. Customer Service, order processing, and steel purchasing takes place only at the Oregon facility. All other activities such as operations, inspections, and audits take place at both facilities.

- **8435 N.E. Killingsworth Street, Portland Oregon- manufactures containers ranging 8 to 85 gallons.**
- **21508-8 Ferrero Parkway, City of Industry, California- Manufactures only 55-gallon containers.**
